October bread and juice for the 8:30 a.m. service—Bob. November-Kathy. December-Cindy and January—Anne.

Doxology will be sung with the organ. Not acappella.

Discussion of a combined choir with other churches to be done indoors vs. at the park.

New Business:

Karen Lempe resigned from the Worship and Music Committee. She is now a Deacon and would possibly like to pursue a Sunday School Teacher role.

Scheduler concern: We will keep the 8:30 service the same, no changes.

We will keep to six Ushers for the 10:30 service for now. Maybe having those who greet, also take on the job of ushering that Sunday too.

Hanging of the Greens: Beth Wallin will be in charge of the program. We will get lists of names of those who have participated in the past and compile a list of people who would like to participate in this year's program. Paul to email Beth.

Bells to play on December 12th. Diane would like a Hymn Sing possibly that afternoon. Paul and Bob to sing a duet---will look into different music together. Dedicate new bell cases to Grace McKellop on December 12th.

Paul will draft a letter to go out to choir members of the past and present to see if new members can be brought in and if former members would love to return.

Paul will draft a letter to encourage other members of our church family to become participates on different committees. All committees would enjoy hearing from new people.

Closing Prayer—Paul
